# LA MEZCLA 1968

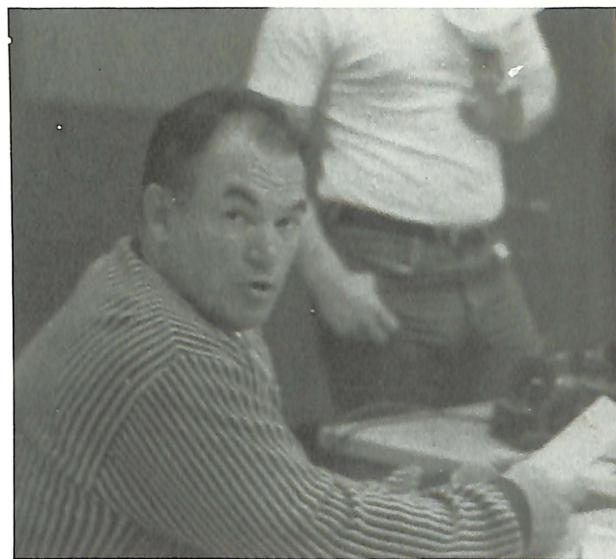

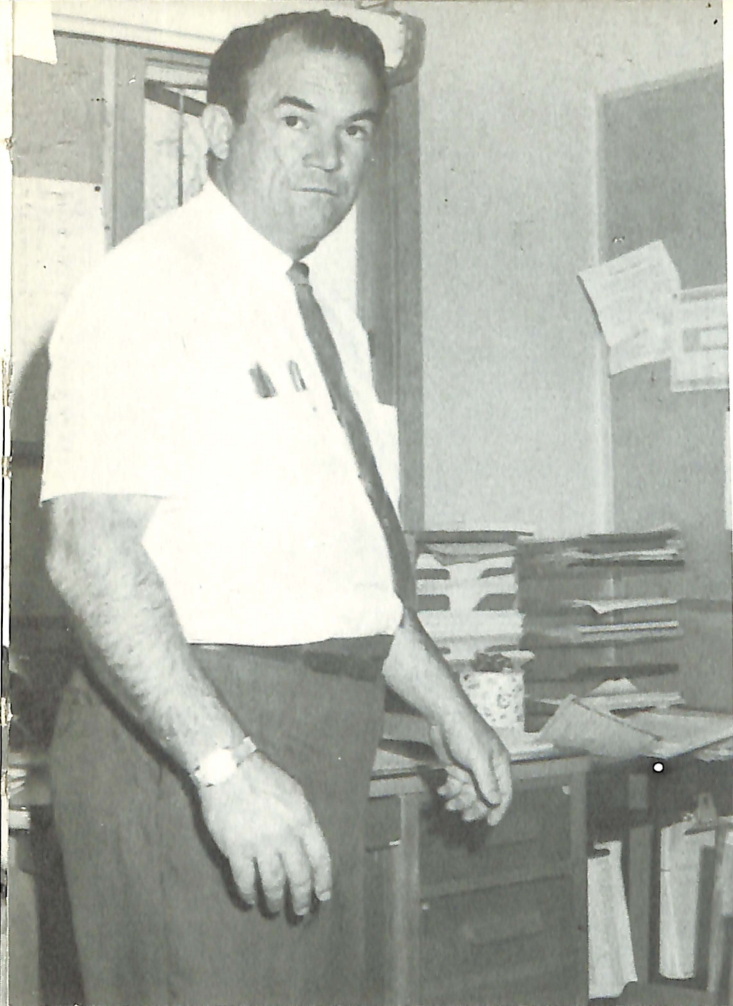

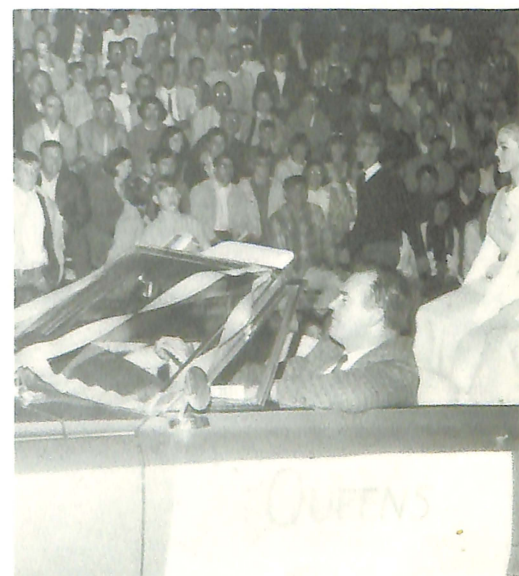

1968 LA MEZCLA DEDICATED TO MR. CHARLES PLASTINO

We, the seniors of Armijo High School would like to extend our appreciation for all your help and guidance during our four years here at Armijo.

# Theme

The year is 1968. The important idea that symbolizes this year is freedom. Through the history of this country this idea of freedom has developed to a point in which we are free. All people have natural rights, the use these rights illustrate our democratic and free society. The people cannot deny certain natural rights. Those strong ideas that represent the principles the student stands by are the freedom of education, the freedom of assembly, the freedom of spirit, the freedom of achievement, and the freedom of the press.

The freedom of education is an essential part of the school. The administration, the Board of Trustees, the faculty and the classes work together to foster a spirit of cooperation.

Freedom of assembly represents the various clubs around campus. These clubs provide an opportunity to meet with other students, who have similar interests.

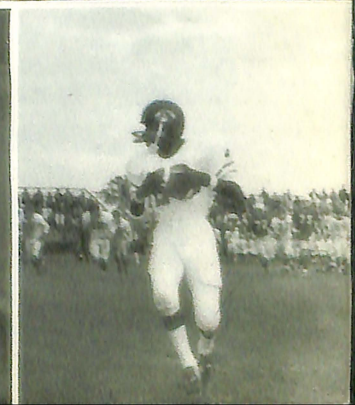

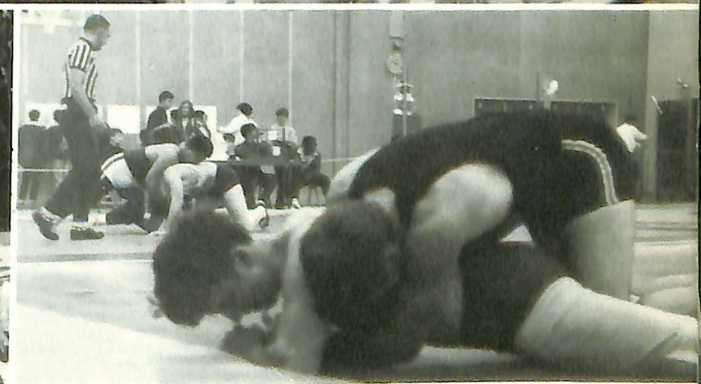

The freedom of spirit, the cheerleaders, who's efforts have boasted the confidence of the teams. Sports is an example of spirit; the team playing for the school.

The Freedom of achievement is represented by the student leaders, the A.S. officers. From the La Mezcla staff, our only achievement will be the yearbook, best ever.

The last principle is the freedom of the press, represented by the ads. The freedom of the press provides an opportunity for learning and cooperating with the business men of this city.

The many aspects of freedom, when combined represents the goal of all men. This yearbook stresses the rights of freedom. We the organizers of this yearbook hope that the forecoming students reflect this same attitude.

# Senior

**Kathy Lowe**

Kathy Lowe was Armijo's Girl State Representative for the year of 1967. In her Junior year she was selected by the faculty to be our representative at the University of California at Davis for one week. One Junior from each high school in Northern California goes to Davis to discuss government. The girls discuss government on different levels. Each wing is a city, each dorm is a county, and all dorms are a state. The girls have an enjoyable time planning and administrating the various governments.

Kathy's alternate for Girl State Representative was Jayne Yee.

**Jayne Yee**

**Martha Wadel**

Martha Wadel is Armijo's only National Merit Scholarship Semi-Finalist. She took the test in her Junior year to qualify. As a Semi-Finalist she is entitled to compete for various scholarships.

**Homecoming Queen  
Debby Lindley**

# Achievements

Dan Sumner-one of Armijo's outstanding Seniors has been extremely active in the Future Farmers of America.

Dan has been a member of the FFA since his Freshman year and has been energetic throughout his high school years. As a Junior, Dan was the Chapter President.

Now in his Senior year Dan is the Central Regional President. He presides over 4,000 members from an area ranging from Merced to north of Sacramento. He also presides as President of the Parliamentary Procedure. As well as these two offices he is a member of the Championship Livestock Judging Team and a member of the California Exposition Youth Advisory.

Dan doesn't limit his activities to the FFA, he has been active in student government throughout high school. As one of the most outstanding Seniors, Armijo wishes him success in his future.

**Dan Sumner**

## Basket-Ball Queen Sue Collins

Susan Collins is our Future Farmers of America Sweetheart for 1968. Candidates for Sweetheart are selected by a vote of the members, interviewed by the Chapter President, and then are voted upon again. The winner, who must be an active Junior or Senior with a C average, is announced at the annual FFA Banquet held during FFA week.

The Future Farmers of America Sweetheart represents our school in the State Chapter Sweetheart Competition. Susan, not only represents Armijo at the State Chapter Sweetheart Competition, she also represents Armijo as Basketball Queen of 1968.

# Exchange Students

**Brigitte Sprussel**

Arnaldo de Queiros--Armijo's exchange student from Brazil. He is living with the Westerland family in Suisun. His home town is Rio de Janeiro.

Arnaldo states that schools are relatively the same in the two countries. He says foreign languages are harder in Brazil whereas government classes are harder in the United States. Arnaldo likes school hours (which are four to five hours) in Brazil much better than those in the United States.

Arnaldo enjoys Armijo's games and dances. These activities are not stressed in his home country.

Although Arnaldo has been at Armijo for only a semester we hope he has gained some knowledge of the way of life in the U.S.

To both of our exchange students we extend an invitation to return and visit Armijo and their friends in Fairfield.

Brigitte Sprussel--Armijo's exchange student from Germany. She is living with the Miller family in Fairfield. Brigitte lives in Helde-sheim, an old town of Germany. Her home town is in the northern part of Germany with a population of 98,000.

Brigitte states that German students are required to attend school for 13 years; the last four years may be a trade school. She had completed ten years of schooling when she came to America. When she returns to Germany she hopes to be in her 12th year of schooling.

According to Brigitte American and German teenagers are nearly the same. One distinction she noticed was the teenagers in America express themselves more openly to the adults.

To Brigitte the students of Armijo wish her the best of luck and hope she has enjoyed her stay in America.

## Senior Biography

On September 10, 1964, we entered Armijo- 388 strong. We were offered a six or seven period day, a split lunch and many one semester elective courses. Heading our class was Richard Boyd, President; Jeanine Nordeen, Vice President; and Shannon La Plante, Secretary. Barbara Macy, Susan Imboden, and Cindy Hall, our Freshman Cheerleaders, promoted class spirit as they cheered frosh teams on to many victories. The Homecoming Game was celebrated by electing Renee Maeyama as Frosh Attendant to the Court of Queen Mary Jo Baldetta. Karen Burton attendented Basketball Queen, Sandy Nygard, as our other Frosh Attendant. The fall of our Sophomore year began with a repeat victory in the Frosh-Soph Scramble. Serving as class officers were Cathy Scally, Dan Sumner, and Joyce Bautisa. J.V. Cheerleaders were Debbie Solum, Suzi Geiskopf, and Margo Nott. Cindy Hall was elected Sophomore Attendant in the Court of Queen Chris Almany, and in the spring, Debbie Solum, was elected Sophomore Attendant in the Court of Basketball Queen, Vicki Hannes. When we finally became upper classmen, we elected Dan Sumner, Jayne Yee, and Jerry Phillips, to serve as our officers. Our fine Pom-Pon Squad consisted of Margo Nott, and Suzi Geiskopf. Our mascots were Jeanine Nordeen, and Pam Detrich. Class Rings finally arrived after Christmas and were proudly displayed. "Showers of Flowers" set the stage for the Junior-Senior Prom, which had standing room only. To serve during the reign of Queen Ada Bond, we elected Mary Burnham as Junior Attendant. Barbra Macy was Junior Attendant, in the Court of the Basketball Queen, Collen Nygard. At last our Senior Year arrived with many plans and decisions that had to be made. For the first time in four years, our class won first place in the Homecoming Float Contest. We helped elect Miss Debbie Lindley as our Homecoming Queen, with Miss Suzi Geiskopf, as Senior Attendant. Now the great excitement is making plans for the future by taking ACT and other College Entrance Exams. As this year goes by we will remember the wonderful moments of fun and joy we all shared together, and we also shall remember the people who helped us during our four years of high school and how they help make the greatest moments of our lives.

# Armijo High School

The Armijo High Cadet Corps is an organized group of military minded young men. The program is organized under a special department of the California National Guard and provides basic military instruction as an integral part of the school curriculum.

There are approximately 144 Cadet Corps units throughout the state of California, with a total of 1004 cadets. Armijo has one such unit.

The Armijo High School Cadet Corps has an approximately strength of 35 cadets. These cadets come from various backgrounds both military and civilian; they range in size from 4'9" to 6'3", and weigh from 90 to 238 lbs. Despite all these differences, they all have one thing in common: they all desire to serve their country, one day, in a branch of America's mighty Armed Force.

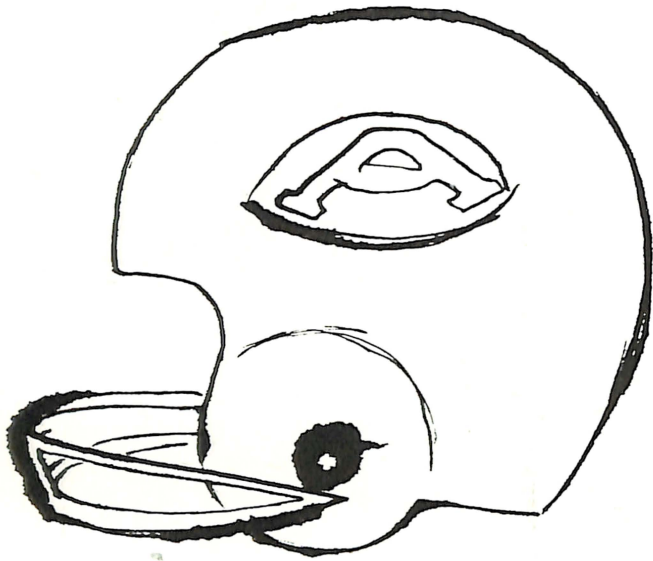

The Armijo Cadet Corps participates in a wide field of activities, which include; a military summer encampment, rifle matches, leadership training at various military installations, and rigid physical exercise.

The training of the Armijo Cadet Corps develops qualities of leadership in those cadets participating in the program. These leadership qualities are essential to both civilian and military life, and opportunities to practice the art of leadership are plentiful within THE ARMIJO HIGH SCHOOL CADET CORPS.

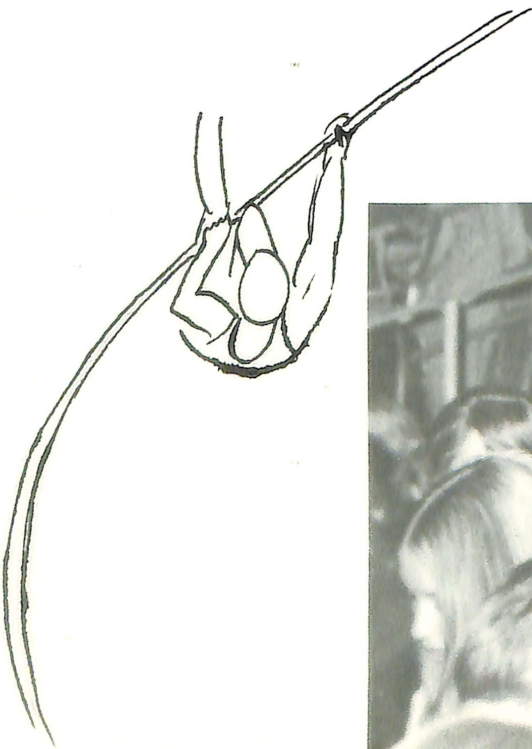

This is what happens when you cause the Cadets trouble. You work your trouble making off in the Corps for 2 or 3 days.

Stanley Tom, active in all aspects of student government since his freshman year has recently been elected to the position of Associated Student Vice-President.

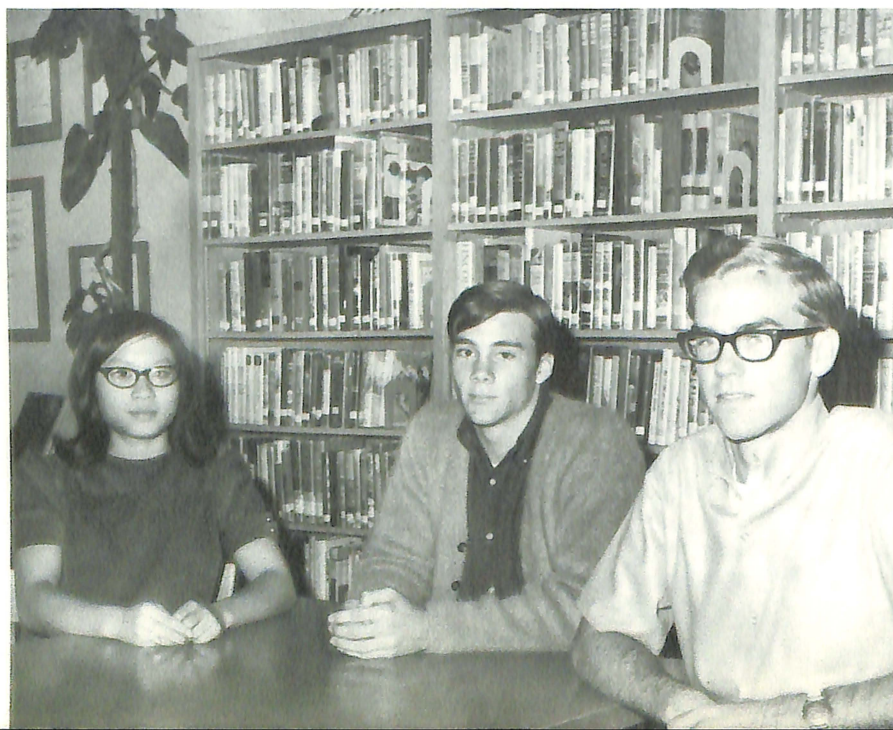

## Student Officers

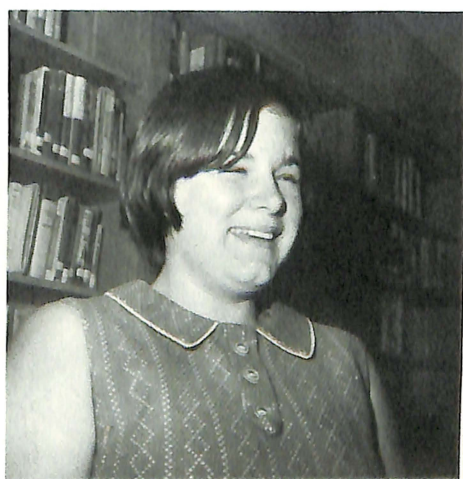

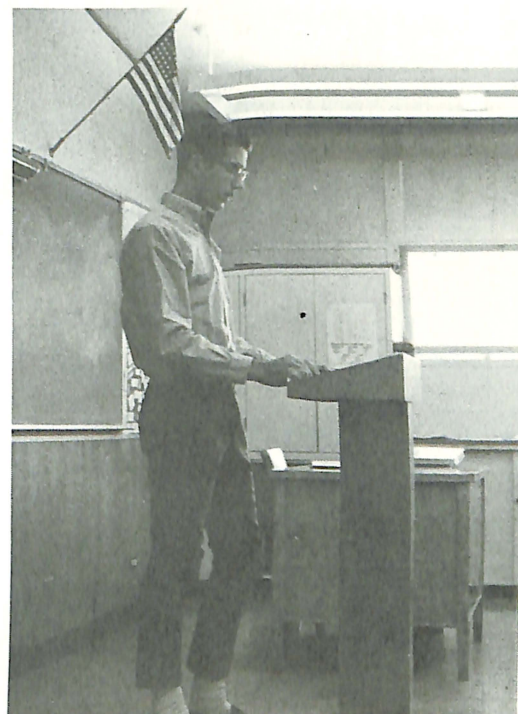

Kathy Lowe, the official Student Court Chief Justice. She presides over Student Court making important decisions concerning the unusual student government which Armijo High School recently initiated.

The Associated Student Body was headed up this year by Dan Spitzer A.S. President. He presided over assemblies, rallies, and student government in general. Don Evans Associated Student Body Vice-President presided over the Senate during its rousing meetings. Jan Yee Associated Student Secretary kept careful record of senate meetings, minutes of A. S. officers meetings, and acted as Advisory Faculty for other student officers. All together we feel that a very good job was executed by this group of well informed students.

Tim Paine and Rosemary Martin both passed difficult tests given by the administration based upon opinions of those taking the tests on imaginary cases. Tim is the Junior Justice and Rosemary is the Freshman Justice. The Sophomore Justice, Carolyn Grable was not present for pictures.

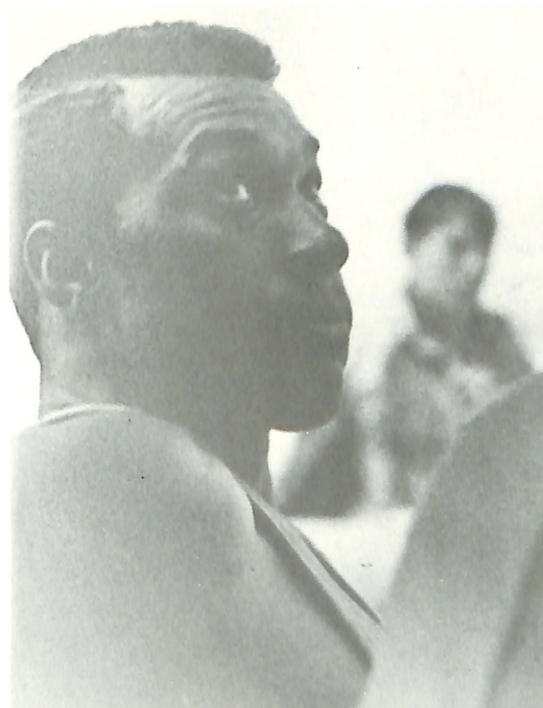

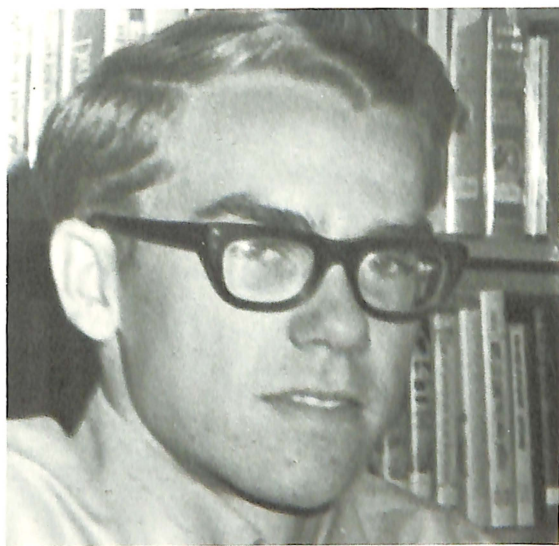

## Student Officers

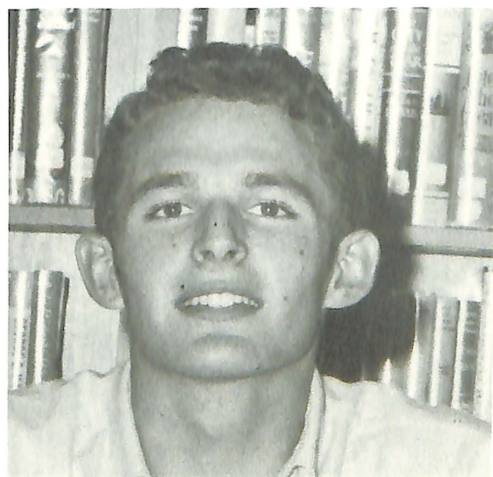

Stanley Tom after taking the position of S.B. Vice-President ably took over governing the Senate. Since his Freshman year, he has been active in student government and now performs his job well.

Student Body President Earl Crayton has a busy schedule. Besides his duties of president, he is active in three sports. This is his first term in the student government, but he has done well.

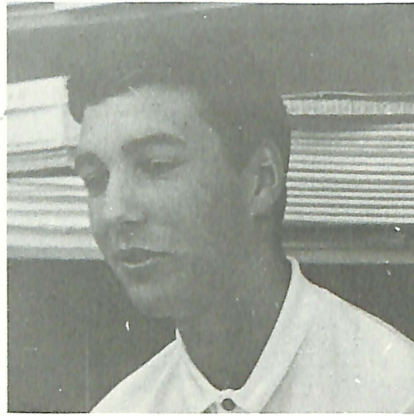

Jayne Yee presides again as Secretary for the Student Body. She does her job well.
